Colorfastness to Crocking	Wet: 5 Dry: 5
Breaking Strength	Fill: 155 Warp: 216
Seam Slippage	Fill: 114 Warp: 108.5
Tear Strength	Fill: 14.4 Warp: 19.8
Brush Pill	Class 5 per ASTM D3511
Cleaning Code	SW - Solvent or Spot Clean

## CLEANING INSTRUCTIONS

Spot clean with upholstery shampoo, foam from a mild detergent, or mild dry cleaning solvent. Pretest a small, inconspicuous area before proceeding. Do not saturate. Pile fabrics may require brushing with a non-metallic, stiff bristle brush to restore appearance. Hot water extraction or steam cleaning is not recommended. Cushion casings should not be removed and laundered or dry cleaned separately. To prevent overall soiling, frequent vacuuming or light brushing with a non-metallic, stiff bristle brush to remove dust and grime is recommended. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area to prevent circling. Use a professional furniture cleaning service when an overall soiled condition has been reached.
